Usually all documents can be picked up from the office on the following day if the outstanding amount of study fees has already been credited to the account of the Joseph Haydn Conservatoire. (For more information on the student's e-mail-account and on JHK online see reverse page.)

2nd Step (ad libitum): Electronic key

With the lease of key you declare that you explicitly consent to the house rules (e.g., to practice only with the window closed). The key is intended solely for your own use - keep in mind that a computer records each opening and closing of a room and therefore that you are responsible for the room when you are registered for it!

The initialisation of the key must be enabled at the box to the left of the entrance door. During the day, please always lock the room when leaving. Note: Between 8 p.m. and 8 a.m., the doors lock automatically - you can always leave the house without a key but you need it in order to re-enter the room!
